

## **BIC'S NEW SHARED SERVICES CENTER OPENS IN SOFIA, BULGARIA**

As part of BIC's continuing company transformation aimed at increasing efficiency and achieving sustainable growth, a new Shared Service Center called BIC Services Sofia, part of Group BIC Services (GBS), has opened in Sofia, Bulgaria..

The new center consolidates administrative activities for BIC's European Finance, Accounting and Customer Service operations. GBS Sofia was formed in 2019 and the office space is now fully furnished and operational. It is located on the top floor of the Bulgaria Mall, Tower B, where Sofia team mates will have 2,200 square meters of office space at their disposal and a great panoramic view over the city.

As part of the Sofia office launch, BIC plans to fill approximately 200 open roles in Finance, Accounting, Cash Management, Quality Control, Transactional Procurement and Customer Service, with recruiting continuing throughout 2021. Once complete, this new team of highly skilled and motivated professionals will continue BIC's drive for operational excellence by increasing the company's effectiveness and agility.
